

What it is: A talking animated Halloween pumpkin with a **built-in video projector & speaker** inside the shell — its face comes alive singing, talking, and joking. **Plug'n play, no carving, reusable every year.**

TOP SELLING POINTS (SAY THESE LIVE)

- ✓ **70-80 minutes** of singing, talking & joking animations — it doesn't repeat fast
- ✓ **3 personalities** — Spooky, Traditional & Funny — kid-friendly or scary, their choice
- ✓ **Projector face** brings the pumpkin to life — animated eyes & mouth, looks real
- ✓ **Motion-sensor** models auto-activate — greets trick-or-treaters as they walk up
- ✓ **Plug'n play** — zero setup, no carving, no mess; store it and reuse every year
- ✓ Built-in speaker — loud enough to fill the porch
- ✓ The **hit of the neighborhood** — a talking porch centerpiece, not just a decoration

CONTENT & MODES

- 🎃 **70+ min** content (standard) • **80 min** (XL motion-sensor)
