TOP SELLING POINTS

- ✓ **3 machines in 1** — big blender, food processor, AND two personal to-go cups
- ✓ **1400W of power** (1600W peak) — crushes ice, frozen fruit & tough ingredients
- ✓ **Digital touch panel** — clean one-touch control, wipes down easy
- ✓ **Stainless steel blades** spinning at high RPM for smooth, even blends
- ✓ **Multi-function** — stir, chop, puree, mix & pulse from one base
- ✓ **BPA-free & dishwasher-safe** jars — safe to use, easy to clean
- ✓ Great value — replaces a blender, processor, and smoothie maker in one box

WHAT YOU CAN MAKE

- ▶ Smoothies & protein shakes (to-go cups)
- ▶ Crushed ice & frozen drinks
- ▶ Soups, sauces & purees
- ▶ Chopped veggies, salsa, dips
- ▶ Batters, dressings & nut butters
